

# CLE: Navigating E-Signatures in Georgia

Join ClientSide as we educate attorneys on the importance of understanding E-Signatures in today's evolving legal landscape

Presented by  
ANDREI TSYGANKOV ESQ.

With  
CHRISTOPHER POZZI

ClientSide™ provides the leading Electronic Signature system for the legal industry. Designed by attorneys, for attorneys, ClientSide streamlines the process of obtaining legally-binding signatures and maximizes law firms' efficiency.

## What You Will Learn

-  Georgia's Uniform Electronic Transactions Act (UETA) and how you can use electronic signatures to improve your practice
-  The difference between UETA and the Electronic Signatures in Global and National Commerce Act (ESIGN)
-  The 4 General Principles of ESIGN
-  What types of documents may be signed electronically
-  Essential security measures to enable your clients to use E-Signatures safely and effectively
